Husky Newsletter Membership Form

Membership Information

The Association "year" runs from September 1 through August 31.

By looking at your mailing label on a printed newsletter's **ENVELOPE**, you will see if your dues are current - the number in the upper right corner is your year of graduation (or letters if you are a retired teacher or friend). The number just to the left shows through which year, August 31, your dues have been paid. **E-mail notices of renewal will go out once a year - in July - for those members who receive their Husky via e-mail.**

Dues are \$15.00 per year, per person OR if you and your spouse are alumni, only \$20.00 per year for the two of you; \$16.00 for overseas and Canada.

A lifetime membership is \$150.00 (per person--non transferable).

Please print this form and use it to send your dues for a **printed OR Electronic Husky Newsletter** subscription. You may pay for one or more years at a time, or for a LIFE membership.

You must let us know if you prefer a printed or electronic (e-mail) copy.
